conduct. Lodge meets second  
Saturday in each month.

### POSTON CHILDREN IN I. O. O. F. HOME

L. R. McClain, of Cookeville, who recently visited the I. O. O. F. Home at Clarksville has the following to say relative to the Poston children who have been in the home for several years:

"Dora Poston will graduate at the Clarksville High School next year. She will also reach the age limit. She is an accomplished musician, both vocal and instrumental. She is the favorite of the Home. She can use several instruments in the band, also performs well on the violin, Emma Poston is some musician, also She can't sing, compared with Dora. Lee Poston has musical talent and is a member of the Home Band, and performs his part to the satisfaction of the Bandmaster. The other children are making satisfactory progress in their studies and department. We are proud of our wards, and glad to think what they are and what they would have been, had their father never become members of the 'Three link gang.'"

These are children of Robert Poston, deceased, a native of this county. Their mother, Mrs. Hellen Wright, lives on Gainesboro R-2.

Wonders are being done with pennies. Pennies buy Christmas seals and Christmas seals save human lives every year. This year more lives will be saved by Christmas seals than every before, and next year the record will be increased, as the results of the sale of seals which began in Tennessee on Dec. 1st, under the direction of the Women's Clubs, the Parents Teachers Association, the League of Women Voters and the Woman's Christian Temperance Union.

These little seals are sold at a penny each and as a result of their sale in previous years more than 700 hospitals are now providing sadoria for those afflicted with tuberculosis; nearly one-thousand fresh-air schools are in operation and there are 550 tuberculosis clinics and dispensaries. A billion pieces of literature were distributed throughout the country and in every state there is an active anti-tuberculosis or public health organization, assisted by 1,100 local societies. This is only a part of the record of the Christmas seal in the United States.

The organizations backing the sale of the Christmas seals in Tennessee are asking that every citizen, male and female, do his and her part in the present sale drive by purchasing a number of these little life-saving stickers to be used on mails and packages during the joyful Yuletide season, in order that the campaign against the great white plague may be waged more effectively in 1922 than ever before.

This appeal this year is being made in the name of those who have succumbed to the dreaded disease since the last annual seal sale, with the hope of those behind the drive that the sale of Christmas 1921 may reach such a mark as to enable the prosecution of the most telling campaign against tuberculosis in Tennessee next year that has ever been waged in any State in the Union.

Lives must be saved and the Christmas seal is one means of giving everybody in Tennessee an opportunity to help save not only one life in 1922, but many.

### STONE.

Braxton Crabtree of Big Bottom, was here Sunday.

Mai Scott entertained a crowd of young folks Sunday.

## Our Greetings In the Meaning of Christmas

IN THE true spirit of the occasion and with due appreciation of all it implies, we extend Christmas greetings to the readers of this publication. Christmas has a meaning possessed by no other holiday throughout the world. America has its national and special days, other countries have theirs; Christmas is the only one alike in spirit and celebrated in all Christian lands. So pure is its principle that it commands respect and admiration among people who worship their Creator in different ways from ours.

Christmas typifies all that is best in mankind. It is the culmination of the human mind throughout the ages dwelling upon the wonders and mysteries of existence, turning to a reverence for God and His representative on earth. It expresses the ascendancy of spirit, the realization of men of their interdependency and their duty to one another; and so it is marked by the bestowal of gifts and other sentiments of benevolence and well wishing.

The makers of newspapers, concerned as they are with the doings, manifestations and thoughts of their respective communities and the world at large, and recording them in their more important aspects for the information, mayhap the education of readers, are brought into an intimate sense of the spirit and meaning of Christmas. Would that we could express to you all the good that we see in the hearts of men and the increased brilliancy behind a few shadows of the light which has upheld the world for so many centuries. In the happy auguries we see for the future, there is every reason to be merry.

Our Yuletide thoughts go out to the people of this community and our thanks are due the patrons and kind friends who have given us practical support or extended encouragement during the year. May this be the best Christmas you have ever spent, is our wish to all.

## POPULAR YOUNG PEOPLE OF GAINESBORO JOIN LIVES.

A wedding of much interest to a wide circle of friends was that of Miss Mary Smith and Nathaniel Roberts, both of this place, which was quietly solemnized at 10 o'clock Sunday morning, Dec. 18th, Esq. R. A. Montgomery officiating.

The wedding occurred while the young people, unattended, were seated in an auto in the road a short distance north of town. Immediately following the ceremony. Mr. and Mrs. Roberts left for a brief honeymoon, after which they will return to Gainesboro.

The groom is the only son of Mr. and Mrs. Ree Roberts, and is held in high esteem by his associates. The bride is the attractive daughter of Mr. and Mrs. E. O. Smith, and is a very popular young lady.

The Sentinel joins their host of friends in extending congratulations, and wish them a Merry Christmas and a happy New Years.

## HEALTHFUL VIGOR IN STRONG BLOOD

Rich, Red Blood Built Up  
By Pepto-Mangan-Liquid or Tablet.

Blood is strong and full of life giving vigor when there are plenty of red cells in it. Anemic people have little strength because there are not enough red cells in the blood. It is thin and watery. Weak blood makes faces pale, pulls down the strength and leaves the body tired, weak, and sickly.

A course in Gude's Pepto-Mangan restores weak blood to its normal strength. Taken regularly for a while it adds red cells to the blood. Then with good blood, the strength and vigor of health return. There is pleasure in living, with good blood running through the veins. Gude's Pepto-Mangan is put up in liquid and in tablet form. They are the same medicinally. Physicians have prescribed Gude's Pepto-Mango for years. The name "Gude's Pepto-Mangan" is on the package. Advertisement.

Aka and Arley Roberts entertained a few of their friends Sunday night.

### Two Lonesome Girls.
